

To Whom It May Concern:

We are interested in providing a proposal for a property you have listed. Our company is _____ and we are Real Estate Investors in South Jersey.

In order for us to prepare a proper proposal, we require both information and answers to a few questions that give us a better picture of the property and investment.

Please review the attached questionnaire.

Once we have received the questionnaire and completed our due-diligence, we will prepare an offer to purchase agreement.

We trust our request will be handled expeditiously. If we do not receive a response within 14 days, we will assume the property has been sold or either the seller or you are not willing to act in a manner designed to benefit all parties involved.

We look forward to your reply.

Respectfully Submitted,
